Brushes speed	170 rpm
Solution Tank / Recovery tank	100 lt / 105 lt
Suction motor	570 Watt
Suction Vacuum	160 mbar
Dimensions mm	L 1650 x H 1195 x W 760
Weight	219 kg

Amber 66

Code: K0300201

The Amber 66 is a battery operated floor scrubbing machine with a cleaning width of 660mm. The unit comes complete with two 330mm disc brushes and pad holders.

The brush base is made of aluminum fusion making it stronger against hits; and with its large polyethylene tanks, it provides considerable autonomy, while the traction with two speeds of travel ensures a high precision in cleaning and in environments with many obstacles. The silence and the attention given to the ergonomic controls make this machine of great convenience and ease of use. Excellent to clean areas up to 3000 sqm/h, easy to guide, no vibration and is ideal for long cleaning use, thanks to the capacious tank capacity of 100lt. The heavy-duty parabolic squeegee has been designed to carry out perfect drying results obtained on floors even with large and deep joints. Perfect for all types of cleaning.
