Amber 83

Code: K0300101

The Amber 83 is king of kings in walk-behind auto scrubber machines. With a cleaning path of 830mm. The unit comes complete with two 430mm Nylon brushes and pad holders.

Excellent for medium-big areas with a tank size of 100lt and thanks to the ease of handling it is suitable to work in zones with obstacles. The ergonomic handle design and the hydraulic lifting system of the brushes (Adiatek Patent) makes operating and maneuvering of this machine a breeze. A very simple draining system of the recovery tank through the outer hose placed in the front part of the machine which also allows the unit to reach any type of floor drainage or sink. Ideal for cleaning Supermarkets, Warehouses, Shopping Centres and any other medium to large area.
