Baby

Code: K1000001

The Adiatek Baby is a single disc cleaning machine that has an impressive working width of 330mm. The Baby comes complete with a pad holder, Nylon brush, batteries and on-board charger. It is excellent for offices, shops, showers and toilets, terraces and swimming pool areas. This machine is able to clean in the most confined areas.

The recovery tank is easily removable, thus making it so easy when emptying and cleaning the unit. Its adjustable handle bar inclination makes it so easy to transport this unique and compact machine. The Adiatek Baby scrubber is remarkable in every way.
