70 kg

The Baby Plus is a single brush cleaning machine that has an impressive working width of 330mm. The Baby comes complete with a pad holder, Nylon brush, batteries and on-board charger. It is excellent for offices, shops, showers and toilets, terraces and swimming pool areas. This machine is able to clean in the most confined areas.

With the latest XFB batteries in this unit The Baby Plus has up to 90 minutes scrubbing time. But by simply connecting the mains cable to any electric socket, you can continue to use this machine even when the battery power is low as an electric unit. Therefore you can continue to use this unit and have the batteries slowly charge as you use the machine. The Baby Plus scrubber is one of a kind! The recovery tank is easily removable, thus making it so easy when emptying and cleaning the unit. Its adjustable handle bar inclination makes it so easy to transport this unique and compact machine.
