**“longer run time, faster charging time!”**

The Adiatek Baby plus lithium is a new single disc multi-purpose scrubber drier that has an impressive working width of 33cm. The baby plus Li is available in battery version powered by one 24V 40Ah<sub>5</sub> lithium battery with incorporated charger. It is possible the functions to scrub and to charge the battery at the same time. Total eco friendly design for healthy interiors. The most confined areas are no problem for the unit. Thanks to the high battery capacity, the machine can work for more than two hours. At the end of the charge the batteries by plugging the power cable (20m) to the on board battery charger.
