Coral 65

Code: K0800001

The Coral 65 Ride-On floor scrubber with traction, comes with a washing unit of two counter-rotating brushes of 330mm and a cleaning width of 660mm. The tough Rotomoulded tanks made of polyethylene ensures years of maximum performance and reliability. For effortless operation, the Coral 65 offers an automatic mode that will start all necessary operations of the scrubber once it is turned on.

A display shows all settings such as battery level, working hours and preset brushes pressure. With a great turning circle the Coral 65 is the most compact and effective ride on scrubber ever built.
