Brush pressure adjustable	max. 160 kg
Brush speed	162 rpm
Solution Tank / Recovery tank	235 lt / 250 lt
Suction motor	2 x 570 Watt
Suction Vacuum	190 mbar
Dimensions mm	L 2025 x H 1685 x W 1330
Weight	600 kg

## Diamond 100

Code: K0700101

The Diamond 100 is simply the king of ride on floor scrubbers. With a 100cm cleaning path and equipped with two counter-rotating nylon brushes and pad holders.

It is a very professional machine with easy maintenance.

An inspection door made in INOX material permits the complete cleaning of the recovery tank. The strong squeegee with its innovative shape dries perfectly even when driving fast. The squeegee features quick disassembly, and easy adjustments and the squeegee rubber can be used on all 4 sides.

The perfect balance of the weights guarantees safety, reliability and elevated performances. This machine is suited for very dirty and slippery floors and when a speedy cleaning process is required with a total focus on excellence is expected. The powerful traction motor permits the Diamond to work on slopes with a gradient up to 10% and a speed up to 7km/h.
