Jade 50t

Code: K0200001

The Jade 50t is a battery operated walk behind floor scrubbing machine with one single brush and a pad holder with a cleaning path of 500mm.

With a larger clean water and recovery tank the Jade 50t offers the best in all cleaning aspects. The single brush system is equipped with a device of coupling/uncoupling of the brush thus saving manual intervention, and suitable where frequent sanitization of the brush is essential.

Suitable for all types' areas such as: Hospitals, schools, Supermarkets, office buildings or all other surroundings where major care in hygiene is required.
