Jade 55c

Code: K0200121

The Jade 55c is a battery operated walk behind machine with a cleaning path of 550mm, and is characterized by two cylindrical brushes turning in the same motion, which not only highly cleans the floor surface but also provides natural traction to the machine. This machine is suitable for small environments, and is the master when it comes to scrub and clean any safety and non slip surfaces. The Jade 55c is ideal for swimming pools areas, Schools, Shopping Centre's and Airports. Another unique design ahead of its time.
