Ruby 50e

Code: K0500101

The Ruby 50e is an electric floor scrubbing machine with one single brush and pad holder with a cleaning path of 500mm. Suitable for all small obstacle free environments and where the presence of an electric cable does not present difficulties during the cleaning operation. The single brush system is equipped with a device of a coupling/uncoupling brush release thus saving manual intervention. The Ruby 50e auto scrubber offers the advantages to work continuously.
