The Sapphire 85 is a medium size ride-on scrubber with two counter rotating disc brushes and pad holders of 430mm. It has a cleaning width of 850mm.

Simple control panel, easy adjustment of brush pressure onto the floor and with a maximum value of respectively 85 kg. Ideal for large areas such as shopping centres, manufacturing plants, exhibition centres, areas up to 5000 sqm/h. The strong traction ensures working on inclined areas with gradients up to 10% and is controlled by a progressive and safe electronic system. Simple operation interface. Automatic or manual operation control mode and squeegee retraction when in reverse. Brush pressure up to 85kg and a tank size of 110lts.
