

baby

We have updated some tables of our scrubbers baby at 24V.

1001-10 R03

We have corrected some descriptions and quantities.

1002-10 R02

We have corrected part number of pos. 25 and some descriptions.

1004-10 R01

The table of the squeegee assembly will have the indication of only the standard rubbers. Other rubber types will be present in our squeegee manual.

1009-20 R02

We have corrected some descriptions.

1010-10 R01

We have corrected some descriptions.

1010-20 R01

We have corrected some descriptions.

1012-30 R02

We have corrected some descriptions and quantities.

On request the updated tables.

Thanking you for your kind attention, we remain

with best regards
