

coral - sapphire

Since October 2010 we assemble the same check card for the functions on our models coral and sapphire. The part number is: 49704080.

As spare part you will receive part number 49704081 and you will receive it complete with the enclosed instructions. These will enable you to make the necessary adjustments on the machine on which you will replace the check card.

At your disposal for additional information, we remain

with best regards
